

APPLICATION FOR NSS SCHOLARSHIP TO THE INTERNATIONAL SPACE UNIVERSITY (ISU)

Application deadline: January 31, 2009.

This scholarship is offered by the National Space Society, SEDS and the Space Generation Foundation to benefit an exceptional member of the space community. It is our hope that recipients will develop the leadership skills, personal network, and knowledge-base needed to contribute to the future of space exploration, development, and advocacy.

Completed applications require three documents:

1. This application form.
2. Current curriculum vitae (CV).
3. Two essays, as described below.

IMPORTANT: Applicants must also have completed the separate application to ISU (see below).

Submit your completed application by the deadline via either of the following two methods. Email is strongly preferred. You will be sent a confirmation email. Questions about this application can also be sent to this email address.

Where did you hear about this scholarship opportunity?: _____

This scholarship application must be filled out *in addition to* your International Space University program application, available online at <http://www.isunet.edu>. ISU program application deadlines are Dec. 15 for the Summer Session Program and Dec. 31 for the Masters in Space Studies/Space Management. **Your application to ISU must be complete by January 31, 2009, for the NSS selection committee to consider your scholarship application.**

Please be aware that the 2009 NSS scholarship will go only to applications for the Summer Session Program.

I have already submitted my ISU program application for the following program(s) (check all that apply), and I certify that I meet the eligibility requirements for that program or programs.

- Summer Session Program
- Masters in Space Studies
- Masters in Space Management

Educational History: Please list all universities or educational institutions attended, starting with the most recent.
 Note: to be eligible for ISU, you must have completed an undergraduate degree by the time of matriculation to ISU.

Name of Institution	Country	Dates of Attendance	Degree or Diploma	Major field of study

Membership: Preference for this scholarship will be given to current members of the National Space Society and/or Students for the Exploration and Development of Space. Please indicate your membership(s) below:

- National Space Society Member number _____
- Students for the Exploration and Development of Space Chapter _____

Essay #1) This scholarship is offered by NSS, SEDS and the Space Generation Foundation to benefit an exceptional member of the space community to attend ISU to develop the leadership skills, personal network, and knowledge base needed to contribute to the future of space exploration, development, and advocacy. In 750 words or less, please outline your contributions in these areas to date, and explain how you plan on using your ISU experience to enable further efforts in the future. Be specific!

Essay #2): Please select and complete, in 500 words or less, one of the following essays. Additional Essays will not be accepted.

Essay A:

ISU students are required to participate in a Team Project. What role do you see yourself playing on this Team? What material would you like to study? Feel free to use past Team Projects as an example.

Essay B:

Where do you currently plan on living and working after your ISU experience? What outreach or leadership activities do you foresee for yourself there?

Supplemental Form – Will be required ONLY for those applicants that make it to the interview phase
 To be submitted no later than April 31, 2009.

- Please provide: Proof of acceptance to the 2009 SSP at ISU:
- Please provide information about any other scholarships you may have received to attend ISU:
